MEMORANDUM FOR: DEPUTY FOR POLICY COORDINATION, SE

SUBJECT: Daily Progress Report, Friday, 18 January 1952

1. BGFEND. A leaflet drop over Albania, originally scheduled for the night of 17 January, was cancelled due to adverse weather conditions.

2. JBEDICT. In response to the field's request to hold current PY planning for exploitation of the forthcoming Communist trials in Athens within CIA pending the outcome of a near crisis in the Ministry of Interior, the field has been informed that such planning is still secret. Washington has requested additional info - preferably of a colorful nature likely to attract international attention - which can soon be released to a selected press to build up a case sufficiently sensational to lift it above the routine "Communists in Greece" story.

3. BOCONVOY. No report.

4. QKBROIL. No report.
